

## ABOUT

Responsible, independent and a team player. I'm a quick learner and I quickly adjust to new work environments. I come with an hands-on approach and I'm also very perceptive. Looking for my first challenge in the "Fullstack" world.

## EDUCATION

### Full Stack Development | Netcraft Academy

2020 – 2021.

- **Project:** Mini Forum - social media website, where you can create your own profile, share posts, comment on posts, "like" posts and view other users profile and posts. Created with React + Redux, Node.js, connected to MongoDB Atlas.
  - [link to GitHub](#)
- **Link to portfolio**
